Company C, 2d School Battalion

Upon your separation from the service, I would like to take this opportunity to commend you for your fine performance as Unit Administrative Specialist.

You were assigned to Company C, 2d School Battalion on 15 January 1968. Since that time, your performance of duty as the Administrative Specialist of this unit has been singularly outstanding. You have devoted many after duty hours improving the efficiency and administration of this unit. You have enabled this unit to become one of the most outstanding in the brigade by your willingness to accept responsibility and devotion to duty.

You have also done an outstanding job as a Unit Mail Clerk. Your thorough knowledge of all regulations enabled you to have efficient and well organized mail procedures.

Your unselfish devotion to duty and timely anticipation of demands has brought great credit upon this unit and reflects great credit upon yourself.

My best wishes to you in all your future endeavors.
